

Mandapaka Praveena Durga

Software Engineer Intern

+91 9963133773 | praveenadurga135@gmail.com | Vijayawada, Andhra Pradesh

LinkedIn | GitHub

CAREER OBJECTIVE

B.Tech Computer Science and Engineering (AI & ML) student with strong programming knowledge in Java, Python, SQL, and core computer science concepts. Experienced in full-stack application development, REST APIs, database integration, and machine learning projects. Seeking a Software Engineer Internship to apply problem-solving and development skills to real-world applications.

EDUCATION

Prasad V. Potluri Siddhartha Institute of Technology **2024 – 2028**
B.Tech – Computer Science and Engineering (Artificial Intelligence & Machine Learning) *CGPA: 9.62/10*

Sri Chaitanya Junior College **2022 – 2024**
Intermediate – MPC *98%*

Sri Chaitanya High School **2022**
Board of Secondary Education *92.3%*

TECHNICAL SKILLS

Programming Languages: Java, Python, C, SQL
Core Computer Science: Data Structures & Algorithms, OOP, DBMS
Web Technologies: HTML, CSS, JavaScript, React.js
Backend Technologies: Django, Django REST Framework
Databases: MySQL, PostgreSQL
Libraries: Pandas, NumPy, Scikit-learn, Matplotlib
Tools: Git, GitHub, VS Code, Google Colab, Kaggle
Coding Platforms: LeetCode, CodeChef, HackerRank, Codeforces

PROJECTS

SwipeX – AI-Powered Job Discovery and Personalized Recommendation Platform **2026**
Django, DRF, React, PostgreSQL, Python

- Developing an AI-driven job discovery platform as part of Infosys Springboard Virtual Internship 7.0.
- Contributed to profile and resume-based job matching workflows, including data processing, skill extraction, and recommendation logic.
- Worked with Django REST Framework for backend APIs and PostgreSQL for structured data storage.
- Integrated TF-IDF and Naive Bayes-based matching components to support personalized job recommendations.

Machine Learning-Based Diabetes Prediction System **2025**
Python, Scikit-learn, Pandas, Matplotlib

- Developed a Logistic Regression model to predict diabetes using patient health parameters.
- Performed dataset preprocessing, model training, and evaluation using Python and Scikit-learn.
- Achieved 85% prediction accuracy through model evaluation.
- Conducted data analysis and visualization using Pandas and Matplotlib.

Personal Portfolio Website **2025**
HTML, CSS, JavaScript

- Designed and developed a responsive portfolio website to showcase projects, technical skills, certifications, achievements, and resume.
- Created sections for About, Skills, Projects, Certifications, and Contact.
- Integrated GitHub, LinkedIn, and resume links and deployed the website using GitHub Pages.

INTERNSHIPS

Infosys Springboard Virtual Internship 7.0 **July 2026 – Present**
Software Development Intern

- Developing SwipeX, an AI-driven swipe-based intelligent job discovery and personalized recommendation platform.
- Working with Django, Django REST Framework, PostgreSQL, React, Vite, and Framer Motion during project development.

- Worked on data preprocessing, model training, and evaluation using Python and Scikit-learn.
- Applied supervised learning techniques using real-world datasets.

CERTIFICATIONS

- Smart Coder (Silver) – Smart Interviews, 2026
- Quantum Fundamentals – WISER & Quibitech, 2026
- Programming in Java – NPTEL (Score: 91%), 2025
- Python Essentials 1 – Cisco Networking Academy, 2025
- Gen AI-Powered Data Analytics – Codegnan, 2025
- Automation Workflow Development using n8n – Codegnan, 2025
- STEP English Certificate – The Hindu Group (Score: 8.5), 2025
- Programming for Problem Solving Using C – Bytes, 2024

ACHIEVEMENTS

- Solved 700+ coding problems across LeetCode, CodeChef, HackerRank, and Codeforces.
- Earned Smart Coder (Silver) badge on Smart Interviews for programming and problem-solving performance.
- Recognized as Branch Topper in B.Tech I Year – II Semester and College & Branch Topper in B.Tech II Year – I Semester and II Year – II Semester.

CO-CURRICULAR & EXTRACURRICULAR ACTIVITIES

- Participated in the YES+ (Youth Empowerment & Skills) Workshop conducted by The Art of Living.
- Participated in technical quiz competitions, seminars, and college cultural events.
